

New Product Launch: Ultimate Series – AIR

Tougher, Harder, Stronger, More Durable. All are about AIR.
GoKaizen Forcefield Ultimate Series – AIR screen Protector

Air screen protector able to shape memory polymer layer repairs scratches quickly, with impact protection, and intuitive installation process (Bubble free installation). Edge to edge coverage is for complete protection. Its special PSA material provides strong adhesive and better sensitivity to touch.

Let us enjoy the powerful ultimate protection in a thin and light package.
