

New Product Launch: Ultimate Series – ANTI-BACTERIAL

Do you know Mobile phone can act as a vehicle for transmission of infection?
It can be 10 times dirtier than a toilet seat.

New product, Ultimate Series: **ANTI-BACTERIAL**, under GoKaizen Force Field Brand is going to launch. The antibacterial film is with impact protection feature. It guarantees protection against Bacteria, Dirt, Impact and Scratches. It is dedicated for the screen and body; also, for the screens with rounded edges.

Silver Ions attack & damage the bacteria’s DNA to stop its replication. It reduces almost 100% of harmful bacteria and other microorganisms from the surface. The Long-lasting protection is even up to 6 months and safe for the user. Meanwhile, it absorbs shock 5-times more effectively which provide an ultimate protection for your devices.

**Experience the ultimate protection with the latest Anti-bacterial screen protector.
Let’s keep the bacteria away. Stay Safe, Stay Healthy.**
